

# VOLUNTEER OPPORTUNITY AT THE CENTRAL LIBRARY

## Computer Coach

### The Task at Hand

The library needs three (3) volunteers to assist patrons one-on-one with a variety of computer-related tasks, such as searching the Internet, setting up email accounts, and applying for jobs online. Appointments are scheduled in half-hour increments.

### Skills/Qualities Desired

- Ability to work with a diverse population with a range of computer ability.
- Experience or skill with working with computers and explaining how to perform computer functions.
- Spanish language speakers would be greatly appreciated.

### What's the Benefit to You?

- Gain insight and experience into the diversity of library resources.
- Help other members of the community gain valuable computer literacy skills.

### Commitment:

- One regularly scheduled 4-hour shift per week for at least six (6) months.
